

Parkland Little League

Dear Community Member,

The Parkland Little League is kicking off its annual fundraising campaign for the 2012 Spring Season. As a non-profit and all-volunteer organization, we face the significant and ongoing challenge of obtaining financial support from our sponsors, who play such a key role in making baseball a reality for over 400 kids each year. Every sponsorship dollar contributed goes directly to supporting our operations, which will include the need for new uniforms and equipment, as well as two new scoreboards. We sincerely hope that you can support our efforts.

Team Sponsor

\$350.00

- Name recognition on a team uniform. We will make every effort to match sponsors with the team of their choice.
- Personalized team plaque and picture
- \$50 discount if you have a child registered in the Parkland Little League Program

Higher levels of sponsorship with naming opportunities are also available. For more information, please contact Rob Senatore at 954-873-8668 or Sponsors@parklandll.com.

Clearly, Print the Sponsor Name as it should appear on the back of the uniform:

In order to have uniforms ready in a timely manner, we request that your application and payment be sent as soon as possible.
